

talking P.E.G.S. with the

GOLDENHOPE FOUNDATION

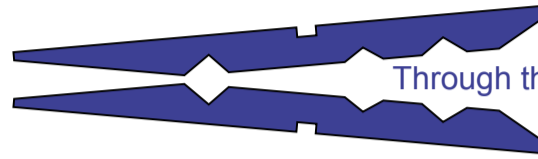

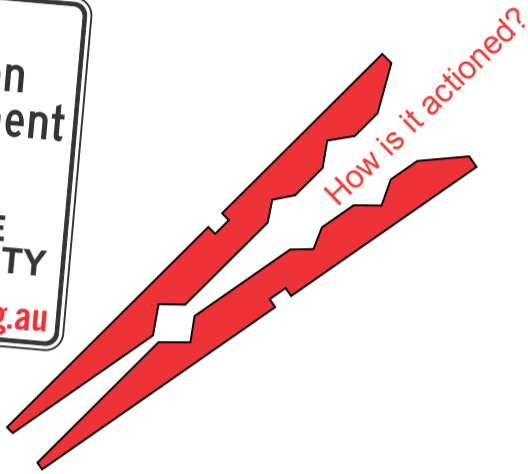

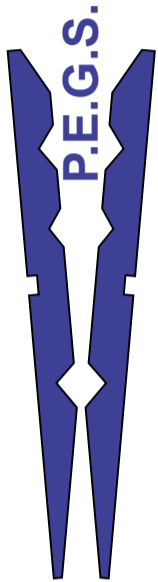

Did you know that

The Goldenhope Foundation is a philanthropic community partner to educational establishments, community groups, sporting bodies and businesses etc. Goldenhope provides young people with the opportunity to design, create and promote life skill educational materials, for themselves and others, through outreach community interactments.

What's the interactment called?

the four community pillars

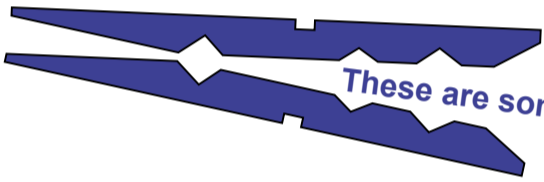

Through the distribution of interactive signage/ educational materials in partnership with service clubs, sporting bodies, businesses, schools and other community stake holders.

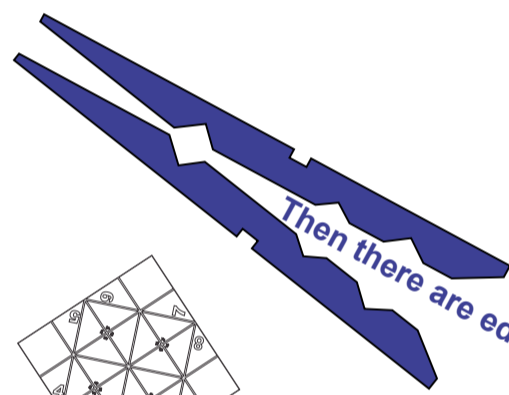

As well as promoting international and community NO MEANNESS peg a WEARness days

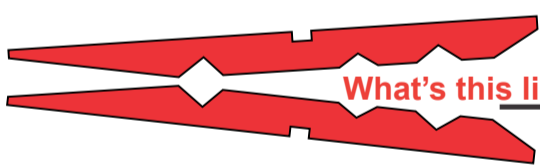

What does some of this support material look like?

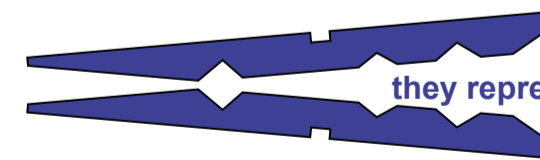

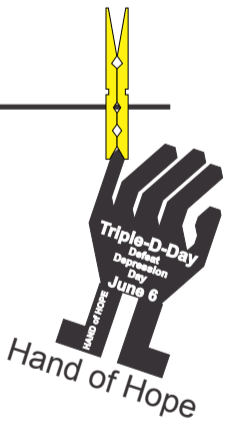

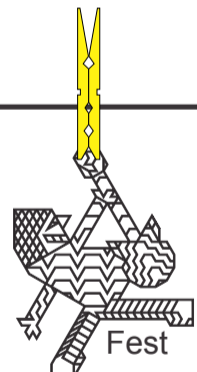

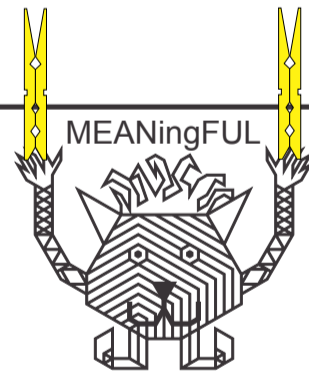

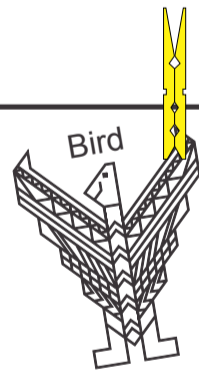

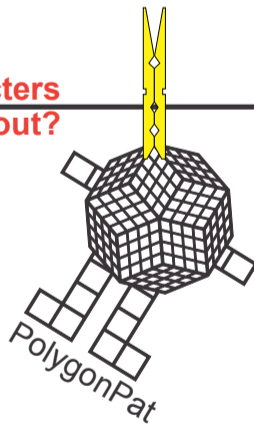

These are some of the signs/posters

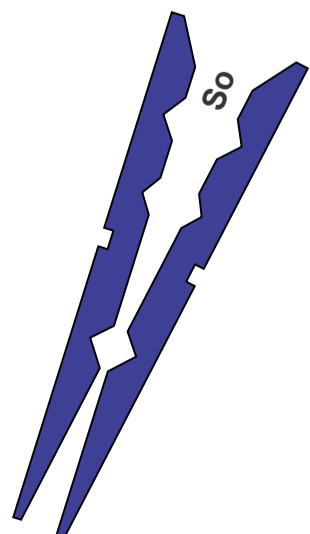

Then there are educational chatterboxes created by students for young people and linked to curriculum through maths, language, creativity and design.

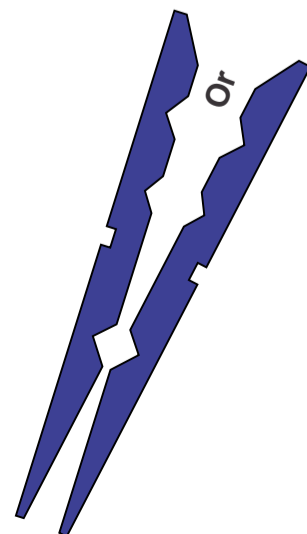

What's this line up of characters all about?

they represent the Goldenhope Foundation and go about pegging communities with their interactments

plant a NO MEANNESS peg and watch it grow to become part of your local P.E.G.S. community

peg your environment to the NO MEANNESS community clothes line by supporting NO MEANNESS signs into your environs
